PIZZABILITIES™**

Choose Value

We know you have a choice when it comes to pizza and we appreciate you giving us the opportunity to be your one-stop-shop for everything PIZZA!

Endless Pizzabilities

As our company slogan suggests, when you partner with CiCis, the PIZZAbilities are truly endless.

Nationally Known, Locally Owned

While CiCis Pizza is a large national chain, each location is independently owned and operated by a local franchisee, staffed with local employees and serves local patrons. Take comfort knowing that when you do business with CiCis Pizza, you *are* supporting local business, families and communities. 91% of the money you spend at CiCis Pizza funnels right back into *this* community, *this* town and *this* school system.

Doing business with us makes sense & CENTS!

We have several proven opportunities to raise funds for just about anything imaginable. Need money for athletic uniforms? We can help. Need new band instruments? We can help. Need construction paper and crayons? We've got you covered there too!

A long history of giving back to SWLA

For 25 years the Lake Charles location has served Calcasieu Parish and surrounding areas. In 2023 we distributed over \$10M in free buffets to elementary & middle school families throughout 80 schools across the 5 parishes of Southwest Louisiana. We are looking to double that number for 2024-2025 by expanding our offers direct to teachers, coaches and administrative staff.

One hand feeds the other

We pride ourselves on creating programs that are self-sustaining by design. When you partner with CiCis, it helps us raise funds to reinvest in programs that have a direct positive impact on your individual school, its students and its faculty.

Personal Service with Proven Excellence

Nothing beats a having direct point of contact with whom to do business. For 15 years I have embraced the philosophy of continuous improvement by listening to direct feedback from teachers, administrators, coaches, directors, and secretaries and have worked hard to improve our services to better meet your needs. I am committed to working with all levels of faculty to deliver a remarkable service while helping you achieve the goals you have set for your school.

CiCi's Pizza works hard to provide you with a remarkable group dining experience. Please understand that the following conditions are in place to guarantee you the time and attention you deserve and to ensure a quality dining experience for all of our guests and groups.

The Cost of Doing Business

I attest that the information I have provided is true and accurate to the best of my knowledge. I understand that by signing this contract, I am entering into a legally enforceable contract that enables Pizza People, Inc to pursue full payment for the spaces reserved should I fail to report for my reservation. I understand that I/my organization **will** receive an invoice for failing to report for our reservation. I understand that I/my organization **will** receive an invoice for incorrect reservations made on behalf of myself or responsible party, be it wrong CiCi's location, wrong restaurant entirely, or incorrectly booked date or time. I understand that I/my organization **will not** receive a refund/credit for bringing fewer students than for which our check is written. I understand that CiCi's incurs costs associated with each reservation, including but not limited to: added labor costs, added food and preparation costs, rejected revenue from the general public due to holding space for the organization. Cancellations are allowed up to 24 hours in advance and must be made in writing to lakecharlescicis@gmail.com. Cancellations after this time will receive an invoice for the added food prep and labor costs associated with preparing for your visit.

Space Constraints and Timeliness of Arrival

I understand that space **will be reserved** for my organization and that my reservation guarantees placement over all other dine-in traffic. I understand that I/my school should not arrive more than 15 minutes *prior to* the stated time of arrival and that doing so may cause a delay in service until our scheduled time for the purpose of properly preparing the buffet/dining area for my reservation. I understand that if my arrival time exceeds 15 minutes *beyond* my reserved time, I grant CiCi's Pizza permission to begin filling my reserved space with general seating or other scheduled groups on a first come-first serve basis. I understand that CiCi's Pizza can accommodate a maximum of **190 people in the restaurant and 110 people in the arcade for a total of 300 maximum occupancy** at any given time and that my group may not be the only scheduled group during my reserved time frame. I understand that CiCi's Pizza will use the information I have provided to properly schedule my group as well as other groups and that CiCi's Pizza will do everything in its power not overbook the restaurant. **I understand that CiCi's Pizza will only reserve the number of seats listed on this form and that teachers, chaperones and parents not listed on this form will not be guaranteed seating.**

New Game Room Protocol

I understand that the new game room operates on game cards, not quarters, and CiCi's Pizza is not able to exchange large volumes of quarters for cash. **I agree to instruct my students to bring dollar bills in \$1, \$5, \$10 and \$20 face values only** as CiCi's does not carry a large quantity of small bills to exchange for game room use. Children must be supervised by adults at all times. The Game Room is monitored by CCTV. Any extraneous horseplay, climbing or otherwise damage to games by members of your organization will be personally held responsible for damages.

Sales Tax Application

I understand that if my organization is tax exempt, a tax exemption form must accompany payment. Failure to provide proper tax-ex documentation by the date of service will result in being charged the appropriate amount of tax at the time of sale. I understand that I/my school will be charged tax at the rate of 10.20% if I do not provide the proper documentation with this form or on the date of service. I also understand that in order to receive tax exemption status, payment must be made as one singular transaction. The state of Louisiana does not allow tax exemptions for individual persons or transactions. I understand that if (any of) the members of my organization are paying individually, they are not covered under tax exemption laws and will be charged the appropriate tax at the time of sale. I understand that the price quoted is guaranteed for this reservation only and prices are subject to change on future orders and on orders that require special accommodations.

Right to Refuse Future Service

This CiCi's Pizza location is a privately owned franchise and reserves the right to refuse service for any justifiable reason it deems appropriate. Should it become necessary to enforce these rights, the actions causing our decision will be noted and reviewed for future reservation requests.

A NOTE FOR BOOKKEEPERS OR ACCOUNTANTS

CiCi's Pizza is a Point of Sale business that provides a receipt for payment at the time of sale. We do not issue "invoices" in advance of a sale. Please use the Special Group Pricing above to calculate the rate ("quote") for your group. A receipt will be provided on the day of the sale.

The Cost of Doing Business

I acknowledge that I have reviewed the information above and I attest that the information I have provided is true and accurate to the best of my knowledge. I understand that by signing this contract, I am entering into a legally enforceable contract that enables Pizza People, Inc to pursue full payment for the pizzas ordered should I fail to pick up my order. I understand that I/my organization **will** receive an invoice for failing to pick up my order. I understand that I/my organization **will** receive an invoice for incorrect orders made on behalf of myself or responsible party, be it wrong CiCi's location, wrong restaurant entirely, or incorrectly booked date or time. I understand that I/my school **will not** receive a refund for incorrect pizzas that were incorrectly ordered by me or a responsible party, be it type, quantity, cut or requested at the incorrect time.

Product Quality

I acknowledge that the pizzas are guaranteed to be ready within a 15 minute window of the time requested and that CiCi's will hold these pizzas on a warmer that maintains an equipment temperature of 140°F. I acknowledge that failure to pick up pizzas in a timely manner may result in a less than optimal product due to prolonged exposure to ambient air temperature. I agree to hold harmless CiCi's Pizza for any product temperature variation for pizzas picked up past the order time.

Uncontrollable Situations

I understand that CiCis Pizza and its employees will do everything in its/their power to ensure that my order is ready for pickup at or before the requested time. I understand that from time to time due to situations beyond the control of the restaurant or its employees, there may be a slight delay in completing large orders and I agree to allow up to 15 minutes beyond the requested time for my order to be ready. Delays may be due all or in part to staffing issues, incorrectly prepared pizzas, oven and baking equipment failures, or other unforeseen circumstances. I understand that I will not be offered any compensation for orders that are fully completed within this reasonably acceptable time frame. I reserve the right to speak with a member of management to receive fair compensation in the event of an extended delay beyond this allowance.

Sales Tax Application

I understand that if my organization is tax exempt, a tax exemption form must accompany payment. Failure to provide proper tax-ex documentation by the date of service will result in being charged the appropriate amount of tax at the time of sale. FUNDRAISING OPPORTUNITIES

Spirit Night

CiCis pizza is always looking for ways to help the community through sponsorships and spirit nights. Our basic spirit night allows for teams or organizations to **dine completely free of charge** with their team jersey, uniform or school ID along with one paying parent.

Events such as this are great for player and student bonding as well as providing teachers, parents and coaches a fun & engaging social event.

Rebate Night

Organize a pizza night for family and friends and let Cicis handle the rest.

Inform friends, family and the community that you are partnering with CiCis to raise money for your organization on a specific night of the week.

CiCis will tally all transactions from your efforts and will donate back to your organization **between 10% and 40%** of its net revenue, depending on turnout.

Work for Tips

Get your organization members working with our organization to earn tips based on their performance!

Simply inform friends, family and community that you will be partnering with Cicis Pizza to do a fundraiser for your organization on a specific night.

Members wait tables, refill drinks, take care of patrons for cash tips. All tips are kept by your organization.

FUNDRAISING OPPORTUNITIES

Concession Stand Pizzas

Imagine making a 200% return on your investment! With our concession stand pizzas, you can absolutely do just that.

Thicker dough, strategically placed pepperoni (or cheese), cut into large wedges yielding 6 slices per pizza vs the traditional 10.

You buy each pizza for \$10 and sell the slices for \$4 each, **yielding \$14 profit per pizza.**

Pizza Kit Pre-Orders

Just like the traditional popcorn or cookie fundraisers, your organization members sell pizza kits to friends, family, neighbors, etc.

Pizza kits are priced at \$12 each.

Due to the temperature sensitivity of this product, your organization collects at the time of sale, remits 50% of all sales back to CiCis, picks up the orders at 10am on a specified day and delivers all by noon that same day.

Family Pizza Kit

Take and Bake Pre-Orders

Like the pizza kit pre-order fundraiser, this option includes an uncooked ready-to-bake pizza made directly in the box.

The customer simply removes it from the box, places it in their oven and bakes it. Easy as 1, 2, 3!

Take & Bake pizzas run \$15 per pizza, unlimited toppings.

Due to the temperature sensitivity of this product, your organization collects at the time of sale, remits 50% of all sales back to CiCis, picks up the orders at 10am on a specified day and delivers all by 2pm that same day.

cicis pizza[™] pass

The CiCis Pizza Pass is by far our most lucrative fundraising opportunity to date.

The pizza pass program has earned small groups of just 10-40 members up to \$10,000 in just 30 days. Larger groups of 150-200 could easily raise \$100,000 or more!

Each pizza pass has 5 unique reusable discounts and pays for itself in just 4 uses. Purchasers receive an average of \$260 value over the life of the card if used once per week.

The pizza pass is completely customizable and has a long-use window. **Pizza passes expire one year from your sign-up date** which makes this a repeatable program year after year.

Sell the pizza pass for as much as you possibly can - **We recommend a starting price point of \$20** to maximize your fundraiser but even at a discounted price of \$5 per card, you are still making money!

There is **no up front out of pocket cost**. Simply tell us how many you think you can sell and then return \$2 per card back to CiCis 30 days later.
